

# **The Personal Brand Bible For Ambitious Women**

## **Featuring Success Secrets From Six Figure Trailblazers**

A brand bible, or book, is a vital tool for businesses of any size, even if you are the only employee. It will help you create consistency in marketing materials and even better understand your company and goals. What is a Brand Bible? A brand bible helps create and establish consistency for a company's visual presence and messaging. It includes everything from colors and fonts to rules for wording, how to use imagery and what is (and is not) acceptable when communicating with customers.

The Personal Brand Bible for Ambitious Women: Featuring Success Secrets from Six-Figure Trailblazers is for you. It's the ultimate blueprint to building a stellar reputation in your industry, networking like a pro and using publicity and partnerships to elevate your message, with checklists at the end of each chapter to help you stay on track. Packed with practical ideas and advice, author Marielle Legair shares insights from her career as a global communications strategist and founder of ...

A personal brand is, in many ways, similar to a corporate brand, Gresh explains. It is who you are, what you stand for, the values you

embrace, and the way in which you express those values. Just as a company's brand helps to communicate its value to customers and stand out from the competition, ...

The Brand Called You: A Christian View of Personal ...

I've had the privilege of building branding campaigns for zoos, restaurants, wedding planners, and even blueberry farms. Surprisingly,

no matter how unique the business, the art of branding relies on three foundational principles: clean, constant, and consistent. In fact, these timeless branding principles serve as the core elements to the growth of Christ's ministry while on Earth.

### Building Your Brand on Christian Principles

The first word in the phrase, "personal brand" is "personal." Now add an "ity" to it, drop the "brand" and that's what it really means. That's the secret. The ingredients are: 1) Be knowledgeable about something. 2) Have an opinion. 3) Deliver it with personality. There are a lot of professionals who have #1: the know-how.
