

The Protestant Reformation Belief Practice And Tradition Sus Library Of Religious Beliefs And Practices

Wherever the Magisterial Reformation, which received support from the ruling authorities, took place, the result was a reformed national Protestant church envisioned to be a part of the whole invisible church, but disagreeing, in

certain important points of doctrine and doctrine-linked practice, with what had until then been considered the normative reference point on such matters, namely the ...

The word "Protestant" in the name "Protestant Reformed" indicates a close adherence to the great Protestant Reformation of the 16th century. At that time the Protestant churches separated from the Roman Catholic Church in order to preserve the truth of the Word of God, as that truth had been brought to light especially through the labors of Martin Luther

and John Calvin.

Protestant Beliefs and Religion

The Reformation (alternatively named the Protestant Reformation or the European Reformation) was a major movement within Western Christianity in 16th-century Europe that posed a religious and political challenge to the Catholic Church and in particular to papal authority, arising from what were perceived to be errors, abuses, and discrepancies by the Catholic Church.
