## Wikipedia

Excerpt from Translations  
Translating does not, for  
him, differ in essence  
from any other poetic job;

*Page 1/74*

*the-seafarer-poem-wikipedia*

as the poet begins by  
seeing, so the translator  
by reading; but his  
reading must be a kind of  
seeing. Hence the  
miraculous accomplishment  
of Pound's translations

*Page 2/74*

*the-seafarer-poem-wikipedia*

sitting down before a text, he doesn't chafe at restrictions unusual to his lyric practice. A good translation seems like a miracle because one who can read the original can,

*Page 3/74*

*the-seafarer-poem-wikipedia*

so to speak, see the poem before the poet writes it, and marvel at the success of his wrestle to subdue his own language to the vision; but Pound has always written as if to

*Page 4/74*

*the-seafarer-poem-wikipedia*

meet a test of this kind,  
in a spirit of utter  
fidelity to his material,  
whether a document or an  
intuition. He has told of  
working six months to fix  
a complex instantaneous

*Page 5/74*

*the-seafarer-poem-wikipedia*

emotion in fourteen words.  
Translation is indeed for  
Pound somewhat easier than  
what is called 'original  
composition'; those six  
months were spent less on  
finding the words than in

bringing the emotion into focus, and a text to be translated, once grasped, doesn't wobble. The technical difficulty is comparable, but the emotional discipline, if

no less exacting, less  
exhausting. Pound has for  
this reason recommended  
translation as an exercise  
to young poets plagued by  
the tendency of what they  
are trying to express to

Tolkien's concern with time - past and present, real and faerie - captures the wonder of travel into other worlds and other times. This work shows that he was not just a mythmaker and writer of escapist fantasy but a man whose relationship to his own century was

troubled and critical.

A band of savage thirteen-year-old boys reject the adult world as illusory, hypocritical, and sentimental, and train themselves in a brutal callousness they call 'objectivity'. When the mother of one of them begins an affair with a

Anglo-Saxon poetry was produced between 700 and 1000 AD for an audience that delighted in technical accomplishment, and the durable works of Old English verse spring from the source of the English language.

Michael Alexander has translated the

A Critical Edition

The Prophet is a book of 26 prose poetry fables written in English by the Lebanese-American poet and writer Kahlil Gibran. It

*Page 70/74*

*the-seafarer-poem-wikipedia*

was originally published in 1923 by Alfred A. Knopf. It is Gibran's best known work. The Prophet has been translated into over 100 different languages, making it one of the most translated books in history, and it has never been out of print. The prophet, Al Mustafa, has lived in the city of Orphalese for 12 years and is about to
