On Socialism, Social Democracy, and Democratic Socialism

What Would a Socialist America Look Like? - POLITICO Magazine

Democratic socialism is a political philosophy that advocates for political democracy alongside a socially owned economy, with a particular emphasis on workers' self-management and democratic control of economic institutions within market socialism, or some form of a decentralised planned socialist economy.

The Socialist Way Social Democracy

Social democracy originated as an ideology within the socialist and labour movements, whose goal at different times has been a social revolution to move away from capitalism to a post-capitalist economy such as socialism, a peaceful revolution as in evolutionary socialism, or the establishment and support of a welfare state.
