

# **The Southern Home Front Of The Civil War Why We Fought The Civil War**

In the Southern front, women were left to take on new jobs and forms of labor that they were never exposed to before the war. This short video gives a little background information about women ' s different roles in both the Northern and Southern homefronts. Furthermore, the new proliferation of border-state studies has underscored that the southern home front is not synonymous with the Confederate home front. With this has come recognition that in places like Kentucky, Missouri, and Maryland, among a populace divided in their loyalties, there existed alternate strategies for engaging in and coping with war.
