

The Trouble With Pleasure Deleuze And Psychoanalysis Short Circuits

The Trouble with Pleasure | The MIT Press

Though the encounter with psychoanalysis deeply marked Deleuze's work, we are yet to have a critical account of the very different postures he adopted toward psychoanalysis, and especially Lacanian theory, throughout his career. In *The Trouble with Pleasure*, Aaron Schuster tackles this tangled relationship head on. The result is neither a Lacanian reading of Deleuze nor a Deleuzian reading of Lacan but rather a systematic and comparative analysis that identifies concerns common to both ...

The Trouble with Pleasure | The MIT Press

The Trouble With Pleasure: Deleuze and Psychoanalysis. Is pleasure a rotten idea, mired in negativity and lack, which should be abandoned in favor of a new concept of desire? Or is desire itself fundamentally a matter of lack, absence, and loss? This is one of the crucial issues dividing the work of Gilles Deleuze and Jacques Lacan, two of the most formidable figures of postwar French thought.

The Trouble With Pleasure: Deleuze and Psychoanalysis ...

In *The Trouble with Pleasure: Deleuze and Psychoanalysis*, Aaron Schuster explores Gilles Deleuze's complex relationship with psychoanalysis, in particular Lacanian theory, in order to 'short circuit' contemporary understandings of desire and pleasure. Traversing topics such as pessimism, complaint, the pleasure principle, the death drive, lethargy and schizophrenia, this is a rich and thorough study of the psychoanalytic history of pleasure, writes Sofia Ropek Hewson.

The Trouble with Pleasure: Deleuze and Psychoanalysis ...

Despite this, The Trouble with Pleasure is an intricate work of scholarship that displays both the balance of mind and the singularity of thought required for a work of genuine novelty. This is perhaps the most

notable aspect of Schuster's book: he has the ability to write about two of the most divisive thinkers in the history of twentieth-century thought, namely Lacan and Deleuze, while maintaining a position that is neither simply Lacanian nor Deleuzian, but something original in its own ...
