"The perfect feel-good read."—Emily Henry, #1 New York  
Times bestselling author of *People We Meet on Vacation*

Britta didn't plan on falling for her personal trainer, and Wes  
didn't plan on Britta. Plans change and it's unclear if love,  
career, or both will meet them at the finish line. Britta Colby  
works for a lifestyle website, and when tasked to write about  
her experience with a hot new body-positive fitness app that  
includes personal coaching, she knows it's a major opportunity

to prove she should write for the site full-time. As CEO of the FitMi Fitness app, Wes Lawson finally has the financial security he grew up without, but despite his success, his floundering love life and complicated family situation leaves him feeling isolated and unfulfilled. He decides to get back to what he loves—coaching. Britta's his first new client and they click immediately. As weeks pass, she's surprised at how much she enjoys experimenting with her exercise routine. He's surprised at how much he looks forward to talking to her every day. They convince themselves their attraction is harmless, but when they start working out in person, Wes and Britta find it increasingly challenging to deny their chemistry and maintain a professional distance. Wes isn't supposed to be

training clients, much less meeting with them, and Britta's credibility will be sunk if the lifestyle site finds out she's practically dating the fitness coach she's reviewing. Walking away from each other is the smartest thing to do, but running side by side feels like the start of something big.

The term "THE WAY THE CARDS FALL" is not a tutorial on playing poker, but a philosophy for life. In this book a Tennessee farm boy, who comes from a family of superior marksmen, survives the Civil War, and the reconstruction period, with the assistance of a beautiful Creole woman who helps him evolve into manhood. She convinces him that, although he is intelligent, he could only utilize that intelligence by increasing his education. Then, for reasons known only to

her, she forces Jason to leave. He decides to go west to seek his fortune. While passing through Fort Smith, Arkansas, his talent with firearms brings him into contact with Al, a friend of his army Sergeant. Al puts Jason into training to be a gunsmith and together they build a successful business around a pistol that Al has modified from "cap and ball" to a cartridge fed weapon. Jason's capacity to be a friend, gains him the love and help of many, in his quest to build his life, including some of the prominent men of the day such as Confederate General P.T.G. Beauregard and others. While in Fort Smith Jason meets a young girl with a past. He becomes very fond of her but he cannot forget the beautiful Creole woman. He has the misfortune to love two women. The girl's past brings Jason to

the brink of disaster as he plays the cards the way they have been dealt to him, in the best way he can. The book contains twelve illustrations by the author.

Now a Starz® Original Series "Utterly convincing and engrossing---totally thought-through and frequently hilarious....Even this aging, jaded, attention-deficit-disordered critic was blown away." --Lev Grossman, Time Myfanwy  
Thomas awakens in a London park surrounded by dead bodies. With her memory gone, she must trust the instructions left by her former in order to survive. She quickly learns that she is a Rook, a high-level operative in a secret agency that protects the world from supernatural threats. But there is a mole inside the organization, and this person wants her dead. Battling to

save herself, Myfanwy will encounter a person with four bodies, a woman who can enter her dreams, children transformed into deadly fighters, and terrifyingly vast conspiracy. Suspenseful and hilarious, **THE ROOK** is an outrageously imaginative thriller for readers who like their espionage with a dollop of purple slime.

By day, Holly Hudson’s a story editor for Wifetime Network. By night, she’s the writer for the network’s very cheesy, very straight holiday romance series—Christmas in Evermore. Holly took the job to accomplish exactly one thing: a gay Christmas movie. She’s been shot down before, but things start to look up when Meredith Drake unexpectedly moves into the network’s holiday division. On the heels of a brief (but totally hot) fling, Holly and Meredith agree to keep things professional now that they’ll be working together.

Especially since the network has a strict policy about workplace relationships. Instead, they vow to channel their passion into a pitch for the network's first Christmas movie to feature two female leads. In this contemporary romance, Holly and Meredith work to make the Yuletide gayer while discovering that happy endings aren't only for the movies. Whitney Ainsworth has had a very tough year. First up was the very public divorce from an A-list actress, and then the third book in her popular suspense series bombed. She's got a chronic case of writer's block and feels

like a fraud getting paid to give speeches about achieving success. After a particularly disastrous event, Whitney's manager suggests a romantic distraction might be in order. Gabriela Talbot never expected to hear back when she requested an interview with her favorite author—certainly not after the scathing review she'd given Whitney's latest book. She's thrilled when the opportunity arises. What happens next isn't what either expected, and although passions flare, Whitney is furious when she learns she's slept with the enemy. Their already rocky road to friendship—or something more—is

complicated by family, Hollywood's expectations, and an ex-wife who's set to star in the film adaptation of Whitney's first book. Will they find their way to love or will insecurities and outsiders prove too much to overcome?

Bryan Murray always planned to settle down back in Sapphire Falls, and Tessa Sheridan was part of that plan- even if she didn't know it.

But fate has a funny, and sometimes painful way of working things out. A not-so-little tumble off a mountain while biking has turned Bryan's life upside down and landed him back in his hometown ahead of schedule, changing everything. At least one thing hasn't changed-- Tess is still the same sweet, kind and beautiful girl he left behind. Tessa has been saving herself for Bryan in every way. And dreaming about an exciting life. Somewhere else. But now Bryan's messing up all of her

plans. Not only has he come home, but he's decided to go from the hot, sexy playboy of her fantasies to a sweet, romantic boyfriend type. Who wants a happily ever after with her. In Sapphire Falls. What's a girl gotta do to have an adventure or two? She's going to have to make it happen for herself. Which means leaving home. Which means avoiding falling in love. All while being romanced by the only man who's ever had her heart.

Originally published in hardcover in 2012 by Hyperion.

Okonkwo is the greatest warrior alive, famous throughout West Africa.

But when he accidentally kills a clansman, things begin to fall apart.

Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark

novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

It's 1998, and Jim Diffin is a charming, reckless, college sophomore with a unique moral code, a crew of wild friends, and no interest in serious relationships. That is, until he meets Diana Huntington, a precocious teenager who doesn't fall for him so easily and embodies everything he's ever wanted. The longer they date, the more her cool aloofness entrances him. His friends, a memorably eclectic mix of social outcasts offer no shortage of dubious advice and the usual relief of tea with his mother will lose its typical solace once he learns she has worse troubles herself. And while comforting his mother, weighing the

insights of his friends, and agonizing over Diana, his mindset opens to a new way, but can his compassion, patience and burgeoning enlightenment ever win him the girl? In the course of *The Way Rain Falls*, blind hope and frenzied despair send Jim careening from candle-lit dinners to street fights, intimate camp-outs to a drug fueled road trip to Canada, and an indiscretion Jim may never live down.

Times bestselling authors Jill Shalvis and Lori Foster and USA Today bestselling author Jamie Beck. Gabby Langdon has always tried to make people happy. She even went to law school to please her father, and now she's a highly successful-albeit bored-attorney. But Gabby secretly dreams of being a writer, so for once she does something for herself-she signs up for a writing class taught by best-selling novelist Caden Marshall. There's only one problem: her brooding, sexy professor is a distraction she can't afford if she's finally going to get the life she truly wants. Recently divorced and suffering from the world's worst case of writer's block, Caden is in Angel Falls to get his life back on track. He's focused on teaching and providing a stable and loving home for his young daughter, Ava. The last thing he needs is to jeopardize his new job, which means keeping plenty of distance between himself and his talented new student-no matter how tempted

he is by Gabby's beauty, kind heart, or the sparks that fly whenever they're together. Includes the bonus novella Meant to Be by Alison Bliss!
