“ The Wisdom of Crowds ” Quotes Diversity and independence are important because the best collective decisions are the product of disagreement and contest, not consensus or compromise. Click To Tweet It may be, in the end, that a good society is defined more by how people treat strangers than by how they treat those they know.

The Wisdom of Crowds PDF Summary - James Michael Surowiecki

This is the essence of the wisdom of crowds: their average judgement converges on the right solution. Flawed thinking Still, Surowiecki also pointed out that the crowd is far from infallible.

‘ Wisdom of the crowd ’ : The myths and realities - BBC Future

The wisdom of the crowd is the collective opinion of a group of individuals rather than that of a single expert. This process, while not new to the Information Age, has been pushed into the mainstream spotlight by social information sites such as Wikipedia, Yahoo! Answers, Quora, Stack Exchange and other web resources that rely on collective human knowledge. An explanation for this phenomenon is that there is idiosyncratic noise associated with each individual judgment, and taking the average ov
