INSTANT NEW YORK TIMES BESTSELLER "My Body offers a lucid examination of the mirrors in which its author has seen herself, and her indoctrination into the cult of beauty as defined by powerful men. In its more transcendent passages . . . the author steps beyond the reach of any 'Pygmalion' and becomes a more dangerous kind of beautiful. She becomes a kind of god in her own right: an artist." —Melissa Febos, The New York Times Book Review A "MOST ANTICIPATED" AND "BEST OF FALL 2021" BOOK FOR * VOGUE * TIME * ESQUIRE * PEOPLE * USA TODAY * CHICAGO TRIBUNE * LOS ANGELES TIMES * SHONDALAND * ALMA * THRILLEST * NYLON * FORTUNE A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. My Body is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the gray area between consent and abuse. Nuanced, fierce, and incisive, My Body marks the debut of a writer brimming with courage and intelligence.

#1 New York Times bestselling author Nora Roberts explores the wilds of the Grand Tetons—and the mysteries of love, murder, and madness—in this engrossing and passionate novel. The sole survivor of a brutal crime back East, Reece Gilmore settles in Angel's Fall, Wyoming—temporarily, at least—and takes a job at a local diner. One day, while hiking in the mountains, she peers through her binoculars and sees a couple arguing on the bank of the churning Snake River. And suddenly, the man is on top of the woman, his hands around her throat... By the time Reece reaches a gruff loner named Brody farther down the trail, the pair is gone. And when authorities comb the area where she saw the attack, they find no trace that anyone was even there. No one in Angel's Fall seems to believe Reece—except Brody, despite his seeming impatience and desire to keep her at arm's length. When a series of menacing events makes it clear that someone wants her out of the way, Reece must put her trust in Brody—and herself—to find out if there is a killer in Angel's Fall, before it's too late.

The author of the “ brazenly hilarious, tell-it-like-it-is first novel ” (Oprah Daily) Queenie returns with another witty and insightful novel about the power of family—even when they seem like strangers. If you could choose your family...you wouldn ’ t choose the Penningtons. Dimple Pennington knows of her half siblings, but she doesn ’ t really know them. Five people who don ’ t have anything in common except for faint memories of being driven through Brixton in their dad ’ s gold jeep, and some pretty complex abandonment issues. Dimple has bigger things to think about. She ’ s thirty, and her life isn ’ t really going anywhere. An aspiring lifestyle influencer with a terrible and wayward boyfriend, Dimple ’ s life has shrunk to the size of a phone screen. And despite a small but loyal following, she ’ s never felt more alone in her life. That is, until a dramatic event brings her half siblings Nikisha, Danny, Lizzie, and Prynce crashing back into her life. And when they ’ re all forced to reconnect with Cyril Pennington, the absent father they never really knew, things get even more complicated. From an author with “ a flair for storytelling that appears effortlessly authentic ” (Time), *People Person* is a vibrant and charming celebration of discovering family as an adult.

Is it possible to crush on a voice? My favorite thing to listen to is Juniper Love's podcast show, *Go Sports!*. Hearing her uninformed, teasing commentary on every game she watches makes me laugh—even when it's my team she's talking about. I might be her biggest fan. I thought Troy Tipton was just a nice guy with a gorgeous smile. Until I learned he was a fan-favorite NFL star quarterback. The same one gracing magazine covers with his irresistible dimples. The same one I mock on my show. When we start dating, the explosive chemistry we share is impossible to ignore. But can we keep our opposing careers from ruining what we have before we even begin? Or will we let them destroy everything good that's between us?

Cali believed she was done with men - after what the last one has done to her, she has zero reasons to want to open her heart or her legs ever again. Then he happened. Wren Richards, genius with a scalpel in his hands, charming when holding a flute of champagne, is a mess outside of the public eye, and he knows it. He ’ s quite happy living in chaos, but when his friends ask him to take on a cute young woman who needs a break as a housekeeper, he takes the plunge. Everything should be alright - as long as he remembers to wear pants when she ’ s around.

From Nora Roberts comes the #1 New York Times bestseller *Shelter in Place* (June 2018)—a powerful tale of heart, heroism...and propulsive suspense. It was a typical evening at a mall outside Portland, Maine. Three teenage friends waited for the movie to start. A boy flirted with the girl selling sunglasses. Mothers and children shopped together, and the manager at video game store tended to customers. Then the shooters arrived. The chaos and carnage lasted only eight minutes before the killers were taken down. But for those who lived through it, the effects would last forever. In the years that followed, one would dedicate himself to a law enforcement career. Another would close herself off, trying to bury the memory of huddling in a ladies' room, helplessly clutching her cell phone--until she finally found a way to pour her emotions into her art. But one person wasn't satisfied with the shockingly high death toll at the DownEast Mall. And as the survivors slowly heal, find shelter, and rebuild, they will discover that another conspirator is lying in wait--and this time, there might be nowhere safe to hide.

The inspiration for the Netflix original series *Mismatched!* Everyone is talking about this New York Times bestselling rom-com that Mindy Kaling called “utterly charming!” *Eleanor & Park* meets Bollywood in this hilarious and heartfelt novel about two Indian-American teens whose parents conspire to arrange their marriage. Dimple Shah has it all figured out. With graduation behind her, she's more than ready for a break from her family, from Mamma's inexplicable obsession with her finding the “Ideal Indian Husband.” Ugh. Dimple knows they must respect her principles on some level, though. If they truly believed she needed a husband right now, they wouldn't have paid for her to attend a summer program for aspiring web developers...right? Rishi Patel is a hopeless romantic. So when his parents tell him that his future wife will be attending the same summer program as him—wherein he'll have to woo her—he's totally on board. Because as silly as it sounds to most people in his life, Rishi wants to be arranged, believes in the power of tradition, stability, and being a part of something much bigger than himself. The Shahs and Patels didn't mean to start turning the wheels on this “suggested arrangement” so early in their children's lives, but when they noticed them both gravitate toward the same summer program, they figured, Why not? Dimple and Rishi may think they have each other figured out. But when opposites clash, love works hard to prove itself in the most

unexpected ways.

John Green meets Rainbow Rowell in this irresistible story of first love, broken hearts, and the golden seams that put them back together again. Henry Page has never been in love. He fancies himself a hopeless romantic, but the slo-mo, heart palpitating, can't-eat-can't-sleep kind of love that he's been hoping for just hasn't been in the cards for him—at least not yet. Instead, he's been happy to focus on his grades, on getting into a semi-decent college and finally becoming editor of his school newspaper. Then Grace Town walks into his first period class on the third Tuesday of senior year and he knows everything's about to change. Grace isn't who Henry pictured as his dream girl—she walks with a cane, wears oversized boys' clothes, and rarely seems to shower. But when Grace and Henry are both chosen to edit the school paper, he quickly finds himself falling for her. It's obvious there's something broken about Grace, but it seems to make her even more beautiful to Henry, and he wants nothing more than to help her put the pieces back together again. And yet, this isn't your average story of boy meets girl. Krystal Sutherland's brilliant debut is equal parts wit and heartbreak, a potent reminder of the bittersweet bliss that is first love.

In a future where most people have computer implants in their heads to control their environment, a boy meets an unusual girl who is in serious trouble.

A Tale of the Riots of '80

A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland. The first time I met Max Yearwood was on a blind date. Max was insanely gorgeous, funny, and our chemistry was off the charts. He also had the biggest dimples I 'd ever laid eyes on. Exactly what I needed after my breakup. Or so I thought... Until my real date arrived. Turned out, Max wasn 't who I was there to meet. He only pretended to be until my real date showed up. To say I was disappointed would be an understatement. Before he left, he slipped me a ticket to a hockey game a few blocks away, in case things didn 't work out on my actual date. I tossed the ticket into my purse and went about trying to enjoy the man I was supposed to meet. But my real blind date and I had no connection. So on my way home, I decided to take a chance and stop by the game. When I arrived, the seat next to me was empty. Disappointed again, I decided to leave at the end of the period. Just before the buzzer, one of the teams scored, and the entire arena went crazy. A player 's face flashed up on the Jumbotron. He was wearing a helmet, but I froze when he smiled. You guessed it: Dimples. Apparently, my fake blind date hadn 't invited me to watch hockey with him, he 'd invited me to watch him play. And so began my adventure with Max Yearwood. He was everything I needed at the time—fun, sexy, up for anything, and only around for a few months since he 'd signed with a new team three-thousand miles away. Max proposed we spend the summer helping me forget my ex. It sounded like a good plan. Things couldn 't get too serious when we had an expiration date. Right? Though, you know what they say about the best-laid plans.
