In Native American legend, the thirteen scales on Old Turtle's back hold the key to the thirteen cycles of the moon and the changing seasons. These lyrical poems and striking paintings celebrate the wonder of the seasons, from the Northern Cheyenne's Moon of the Popping Trees to the Big Moon of the Abenaki.

**Thirteen Moons on Turtle's Back: A Native American Year of ...**

Thirteen Moons on the Turtle's Back is a book of poems about a Native American legend that involves the moons on a turtle's back. It follows the cycle of a Native American year and the moons. Each poem is about a different part of their life, somehow relating to the moon that is associated with that season.
