business ' brand
using available
trademark laws is
commonly known,

Page 29/83

but have you ever wondered why certain companies use the trademark symbol (™) to signify their rights to a particular mark while others use the registered symbol (®)?

TM vs R: Trademark

Page 30/83

Symbols Explained | Trademark Law | ASR ...

There are three main trademark symbols — ®, ™, and — that are often used in superscript form to identify trademarks. Trademark symbols can signify many things, but one of

Page 31/83

their most important functions is to let others know your name or logo is protected. Each of the main symbols tells others that you are asserting trademark rights.
