Folklore studies, also known as folkloristics, and occasionally

tradition studies or folk life studies in the United Kingdom, is the branch of anthropology devoted to the study of folklore. This term, along with its synonyms, gained currency in the 1950s to distinguish the academic study of traditional culture from the folklore artifacts themselves.

Memorial University of St. John's, Newfoundland has a master's level course in mythology and folklore. Psychology Programs. The following are mostly graduate programs in psychology that include or allow some mythological studies as part of the work toward masters or doctorate degrees.
