Who can I get to repair my Trotter treadmill?

Treadmill Doctor experts are readily available both online and by phone during regular business operating hours, Monday through Friday. Our Hours are 8:00 am to 5:00 pm CST. We offer an online chat window direct from the webpage to assist in determining equipment repair parts needed or service concerns.

Treadmill & Elliptical Repair

Automatic treadmills can develop problems with the internal electrical circuits, the main motor, incline motor and drive belt. A technician should inspect the hand-motion speed adjustment feature. Troubleshooting the Carl Lewis treadmill is done using a typical step-by-step procedure to identify problems.
