Diagnosing
Page 10/101

troubleshooting-walk-in-freezer

Problems in Walk- in Cooler & Freezer

Refrigeration

The first step to preventing ice build up is to regularly check gaskets, door hardware, drains, as well as insulation panels and repair them as

Page 11/101

necessary. You can also install air curtains or vinyl strip curtains to stop the infiltration of humid, warm air into your walk-in as individuals move in and out of it.

How To Solve

Page 12/101

troubleshooting-walk-in-freezer

Icing Issues in Your Walk-In Freezer ...

The best guide for a walk-in freezer is a systematic approach for cooler maintenance. Walk-in coolers or walk-in freezers are major factors for many cafeterias,

Page 13/101

troubleshooting-walk-in-freezer

convenience stores, and restaurants. They also use large amounts of energy, but until issues occur this is rarely considered.

Problems with walk-in freezers or coolers such as failure to maintain

pressure or
compressor
failure may result
in expensive
internal repairs.
