ONLINE AUDIO: 'Learn Turkish Language: Colloquial Turkish Phrasebook for Friendship and Love' is a unique phrasebook that comes with online audio recorded by native speakers of Turkish residing in Turkey.

It is a powerful Turkish language learning tool that gives you a headstart in real, conversational Turkish, particularly if you plan to settle and live in Turkey, or visit Turkey for business or pleasure, or if your significant other is Turkish. The section 'Turkish for impressing' is jam-packed with expressions you can use to impress your Turkish friends or business associates. These are expressions that lend fluency to your speech (surprise, astonishment, politeness, anger, slang, etc.). When using them, you appear to know more than you might actually know, because a lot of these phrases are not of the kind you find in a regular Turkish grammar book that most foreigners start studying from - they are characteristic of everyday Turkish speech, the living Turkish language. Your Turkish friends will definitely be amused and impressed with your use of the kind of active vocabulary you can acquire through this unique resource. The section 'Turkish for love' gives you the linguistic power to deepen your existing romantic relationship, or to forge a new one in a unique way. The phrases cover different important categories, such as Compliments, Pick-up Lines, Requests for Love, Marriage Proposals, Wrapping up Conflicts, and much more. Learn to ask for a kiss or a hug in Turkish. Learn how to tell her/him how sexy she/he is. Learn how to ask for forgiveness when the going gets tough. Learn how to attract her/his attention with one of our pick up lines. Give a fresh boost to your love life. There is also a section on vocabulary building with properly categorized essential words. It would be dubious to only know pick up lines but not know the numbers or the days of the week, wouldn't it? Who is this book for? People studying Turkish who are fed up with the typical, boring textbook style People with a crush on a Turkish colleague or friend People already in a relationship with a Turk People who have Turkish friends and would like to pepper their speech with a few jaw-dropping Turkish phrases People travelling to Turkey for business or pleasure People planning to visit Istanbul or the Turkish Mediterranean sea resorts Turkish soap opera fans Any student of the Turkish language

Three American girls from very different backgrounds arrive in Paris in the autumn of 1967 for a college year abroad: shy but brainy little Charity, from a Boston Brahmin family; gorgeous Amaleen, West Virginia nouveau riche man-killer; politically-committed Josie, from a prominent African-American family near Chicago. Unlikely roommates, their prejudices fall away as they grow into friendship, but May 1968 shatters their cozy world: the Sorbonne explodes in riots as millions of students and workers revolt and France hurtles toward chaos. The girls flee their Latin Quarter apartment, one to explore-and risk death-in the Dordogne's prehistoric caves; one to a lavish life in a Loire chateau where hidden terror lurks; one to dangerous exhilaration on the barricades. Along the way they stumble into love: tender, lustful, perverse, and sublime. In only a month they learn far more about who they are and who they want to be. For the Paris Girls Secret Society, life and love will never be the same.

Making Out in Turkish is a fun, accessible and thorough Turkish phrase book and guide to the Turkish language as it's really spoken. Sana hayranım! Seni tekrar ne zaman gorecegim?—(I adore you! When can I see you again?) Answer this correctly in Turkish and you may be going on a hot date. Incorrectly, and you could be hurting someone's feelings or getting a slap! Turkish classes and textbooks tend to spend a lot of time rehearsing for the same fictitious scenarios but chances are while in Turkey you will spend a lot more time trying to make new friends or start new romances—something you may not be prepared for. If you are a student, businessman or tourist traveling to Turkey and would like to have an authentic and meaningful experience, the key is being able to speak like a local. This friendly and easy-to-use Turkish phrasebook makes this possible. Making Out in Turkish has been carefully designed to act as a guide to modern

colloquial Turkish for use in everyday informal interactions—giving access to the sort of catchy Turkish expressions that aren't covered in traditional language materials. Each expression is given in authentic Turkish (turkce) so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. In addition, phonetic spellings are also included making speaking Turkish a breeze. For example "Okay"—Tamam, is also given as ta-MAHM. This Turkish phrasebook includes: A guide to pronouncing Turkish words correctly. Explanations of basic Turkish grammar, such as, double letters, vowel harmony, agglutination, questions, and negation. Complete Turkish translations including phonetic spellings. Useful and interesting notes on Turkish language and culture. Lots of colorful, fun and useful expressions not covered in other phrasebooks. Titles in this unique series of bestselling phrase books include: Making Out in Chinese, Making Out in Indonesian, Making Out in Thai, Making Out in Korean, Making Out in Hindi, Making Out in Japanese, Making Out in Vietnamese, Making Out in Burmese, Making Out in Tagalog, Making Out in Hindi, Making Out in Arabic, Making Out in English, More Making Out in Korean, and More Making Out in Japanese.

A concise introduction to Turkish grammar, designed specifically for English-speaking students and professionals.

Whether you want to hire a car, ask about the local hotel rates or practise your haggling skills at the market — The Rough Guide Turkish Phrasebook will help you all the way. Laid out in a clear A-Z style, this third edition includes 16-pages of additional scenario material. The scenarios have been recorded by native Turkish speakers; downloadable either to your computer or iPod — ideal for practicing your pronunciation. This thoroughly revised phrasebook includes a detailed grammar section and a helpful menu and drinks list reader to ensure you always order the right dish. With this phrasebook in your backpack you will never run out of things to say — iyi yolculuklar!!

Research shows that learning a second language boosts problem-solving, critical thinking, and listening skills, in addition to improving memory, concentration, and the ability to multitask. Children proficient in other languages also show signs of enhanced creativity and mental flexibility. There is a "critical period" or "window of opportunity" when children learn languages best. Studies have shown that this is when children are between birth and six years old. The younger children are, the easier they will learn a second language. As they get older that ability diminishes. These easy and fun flashcards aim to help parents as a useful educational tool for kids to learn a new language.

The Delights of Learning Turkish

Learn Turkish for Beginners

Do you know what the hardest thing for a Turkish learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes - it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Turkish tongue. How Turkish Short Stories for Beginners works: - Each story is interesting and entertaining with realistic dialogues and day-to-day situations. - The summaries follow a synopsis in Turkish and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Turkish, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Turkish Short Stories for Beginners and level up your Turkish right now!

A Frequency Dictionary of Turkish enables students of all levels to build on their study of Turkish in an efficient and engaging way.
