Uncertain Empire: American History and the Idea of the ...

Uncertain Empire: American History and the Idea of the Cold War. by. Joel Isaac (Editor), Duncan Bell (Editor) 3.71 · Rating details · 7 ratings · 2 reviews. Historians have long understood that the notion of "the cold war" is richly metaphorical, if not paradoxical. The conflict between the United States and the Soviet Union was a war that fell ambiguously short of war, an armed truce that produced considerable bloodshed.

Uncertain Empire: American History and the Idea of the ...

Uncertain Empire demonstrates the vitality of historical scholarship on the Cold War in American life while at the same time identifying new themes and new approaches to an important topic. It will serve as an ideal introduction for graduate students interested in the state of the field, and to scholars continuing to rethink the American experience of its decades-long conflict with the Soviet Union.
