Laws & Guidance Overview. Legislation, regulations, guidance, and other policy documents can be found here for the Every Student Succeeds Act (ESSA), and other topics. Please note that in the U.S., the federal role in education is limited. Because of the Tenth Amendment, most education policy is decided at the state and local levels.

Policy - ED.gov

The 1852 law required every city and town to offer primary school, focusing on grammar and basic arithmetic. Parents who refused to send their children to school were fined and (in some cases) stripped of their parental rights, and their children apprenticed to others.

Compulsory Education Laws: Background - FindLaw

School integration in the United States is the process (also known as desegregation) of ending race-based segregation within American public and private schools. Racial segregation in schools existed throughout most of American history and remains an issue in contemporary education.

School integration in the United States - Wikipedia

State laws establish vaccination requirements for school children. These laws often apply not only to children attending public schools but also to those attending private schools and day care facilities. All states provide medical exemptions, and some state laws also offer exemptions for religious and/or philosophical reasons. State laws also establish mechanisms for enforcement of school vaccination requirements and exemptions.
