##### About Divine Secrets of Affluent Women: The Guide to ...

The main reason we wrote Wealth Secrets of the Affluent and launched this blog is because affluent Americans are victims of their own success. The average American family earns \$48,000 per year and pays 12% of their income in federal taxes. High wage earners can be in marginal federal tax brackets of 35%, on top of the state income taxes that can be almost 10% of gross income and the phase-out ...
