

Why Women Kill Homicide And Gender Equality

Why Women Kill: Homicide and Gender Equality - Vickie ...

Why Women Kill Season 1 Episode 1 “Murder Means Never Having to Say You're Sorry” | AfterBuzz TV

Traditional homicide indicators are based on male violence - and do little to predict when, or whom, women will kill. Vickie Jensen shows that gender equality plays an important role in predicting female homicide patterns. Jensen's analysis of the occurrence of women's homicide reveals that lethal violence is most likely when severe gender inequalities exist in the family group.
