

Wiccapedia A Modern Day White Witches

Forget warts and cauldrons--a new generation of witches is on the rise. From justice spells to protective charms, Frankie Castanea brings her fresh style to an ancient practice, showing that contemporary witchcraft is a powerful force for good and a tool for manifesting positive change. Modern-day witches are a blend of the old and the new. They travel to the grocery store, work nine-to-five jobs, and teach in our classrooms. They also carry black tourmaline and quartz, and wave bay and rosemary bundles

over their doorways. Within an ancient and sacred practice, a new type of Craft has taken hold: one that combines the power of action with energy and intent, prioritizes self-realization, and matches its activism with manifestation. With chapters on meditation, grounding, cleansing, banishing, binding, and more, *Spells for Change* will help the modern witch create change within the hearth, the heart, and the world--one spell at a time.

If you answered "yes" to any of these questions, then you have come to the right place. Witchcraft has long been a taboo

subject, but times are changing. It shouldn't be some misunderstood topic anymore, and with this book, it no longer will be.

Banish stress, ease tension, and add comfort, joy, and magic to your daily life with The Witches' Spell Book. This enchanting guide is a must-have for spell casters of all levels. Including 60 good spells for love, prosperity, good health, profound wisdom, and much more, this powerful collection is sure to charm anyone with a penchant for the magical.

Do you want to start practicing magic? Not sure where to begin? Want a collection of

Page 3/62

spells that can transform and enhance your life? This inspiring collection of spells, rituals, and other workings is devoted to the magical energies of the plant kingdom, and can be used on its own or as a companion to best-selling author Lisa Chamberlain's beginner's guide *Wicca Herbal Magic*. Each spell is relatively simple and suitable for beginners to magic, yet can inspire more seasoned practitioners as well. A Simple, Straightforward Approach to Herbal Magic Complex spells with multiple ingredients can be very enjoyable and certainly serve a purpose. However, focusing on one or two

Page 4/62

ingredients provides an opportunity to get better acquainted with herbs you haven't worked with before. In that spirit, single herbs are often the focus of these spells, with minimal additional ingredients, in order to help you deepen your own magical relationships with these powerful herbs. Most of these herbs can actually be found in the spice section of any grocery store, while the rest can easily be found in natural food stores and cooperatives, as well as at metaphysical stores and online. Work Your Magic for Material, Emotional, and Spiritual Well-Being Here are just a few life-enhancing

changes you can create in your life using the 52 spells, rituals, magical crafts and recipes in this herb-centered Book of Shadows: Create and maintain a positive, magical atmosphere in your home and sacred space Heal from grief, homesickness, old relationships and unwanted habits Reduce stress and anxiety, resolve sleep issues, and have amazing dreams Attract money, love, and good luck into your experience Improve divination and psychic awareness Manifest courage and self-confidence for any situation In short, you will find many useful gems in Book of Herbal Spells, and will hopefully be

Page 6/62

inspired to develop your own magical workings, using the gifts granted to us all through the abundant generosity of our beloved Earth. If you're ready to begin working with magical herbs, scroll to the top of the page and select the buy now button. Readers will also be treated to an exclusive free eBook!

There are no short-cuts to becoming a Witch. Traditionally, students take a year and a day to prepare for their initiation into the Craft.

Based on this age-old custom, *Wicca: A Year and a Day* is a one-of-a-kind daily guide that introduces Witchcraft over a 366-day cycle.

Ideal for solitary students, this intensive study course teaches the core content of Wiccan practice: the tides of time, the wonders of the seasons, the ways of herbs and magic, the mysticism of the Old Ones, and the inner disciplines of seers and sages. Daily lessons include exercises, Wiccan theology and lore, and discussions relating to circle work, magical correspondences, holidays, deities,

tools, healing, and divination.

A magical lifestyle guide for everything from powering up a stylish crystal to banishing terrible Tinder dates Want to feel terrifyingly beautiful? Wear the right color of eye shadow to project otherworldly glamour. Need to exorcise a toxic friendship? Repeat the proper incantation and make it disappear. Want to increase your energy? Whip up a tasty herbal “potion” to rev up your stamina. DIY projects, rituals, and spells—along with fun historical sidebars—summon the best trends of the modern witchy lifestyle and the time-trusted traditions of the hell-raising women of the past. With humor, heart, and a hip sensibility, Jaya Saxena and Jess Zimmerman dispense witchy wisdom for the curious, the cynical, and anyone who could use a magical boost. A Book of Shadows is a journal where witches record their spells--and this keepsake one, by the authors of Wiccapedia, accompanies that stylish guide. It features basic information distilled from Wiccapedia on spells, key herbs and crystals, moon phases and magick, and more. In the journal portion, witches can note the details of their spellcraft, including the date, ingredients, phase of the moon . . . and results.

The earth, the moon, and the magical path to enlightenment.
Written by a practicing witch who conducts classes and seminars on witchcraft—the oldest Western religion, a means of power and enlightenment, and a healing art. “Laurie Cabot has written a

fascinating account of a beautiful and sadly misunderstood religion, witchcraft. She has with her life and work done a great deal to legitimize this ancient pagan form of worship. I am among the ecumenical Christians who have discovered the truth about witchcraft, that it is neither demonic nor evil. Power of the Witch is a marvelous introduction to the magical and highly ethical world of wicca.”—Whitley Strieber

A Little Bit of Wicca

From an acclaimed author on witchcraft, an easy-to-use, informative introduction to Wicca. Wicca is growing in popularity, and Cassandra Eason--much admired for her writing on spiritual subjects--takes a look at its origins, its uses in everyday life, and its gods and goddesses. She explains how magick functions; how to create an altar and what tools you'll need; how to make your own spells, rituals, and chants; how to find a coven, and so much more! Welcome our first Wiccan cookbook in the wildly successful Modern-Day Witch series. Written by

Page 13/62

popular Wiccan author Lisa Chamberlain, *Wiccan Kitchen* includes 40 recipes, from Lucky Money Stir-Fry, Tropical Love Smoothie, and Magic Marinara to festive dishes for the eight Wiccan Sabbats. In addition to complete menus for celebrating special occasions, you'll also learn how the magical energies of natural foods help you manifest goals; how to choose potent foods for your practice; how to turn your kitchen into a sacred space, and more. Create a spiritual space to find peace and meaning in your witchcraft with this accessible guidebook to Wiccan rituals. Rituals are an important part to any

witch's life. They are used to commemorate special moments, mark changes, and help unify us with nature and deities. They help connect us to something bigger than ourselves and provide a way for us to formally contact our concept of deity. The Witch's Book of Rituals provides all the vital information you need to understand the different aspects of rituals, including how they are used, and provides ready-made rituals for you to perform. Learn how to create custom rituals for performing seasonal celebrations like Samhain or daily rituals when you need to get in touch with yourself and your

spirit guides. Arin Murphy-Hiscock takes you through the most important aspects so you can take control of your own spiritual practice. Whether it is giving yourself space to ask for what you need, talking to your guiding spirits, or creating new personal acceptance through traditions and ritualistic practices, *The Witch's Book of Rituals* is the all-inclusive guide to performing these rituals correctly. Create a space to celebrate your practice and find peace and connection with this favorite Wiccan tradition.

Includes more than 200 quick spells for love, money,

protection, and happiness! Simple actions, creative rhymes, and sincere intentions can bring you your heart's deepest desires. Whether you want to create transformation in your relationships or you want to make the world a better place, *The Little Big Book of White Spells* includes the spells that you need. Find love, remove a curse, and bring the passion back into a relationship. Banish depression, protect yourself from negative energy, or make a business more profitable. With more than 200 spells, this book opens a whole universe of potential for making positive changes for yourself, your loved ones, and

Cunningham's classic introduction to Wicca is about how to live life magically, spiritually, and wholly attuned with nature. It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to achieve the much needed and wholesome relationship with our Earth. Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. Wicca also includes Scott Cunningham's own Book of Shadows and updated appendices of periodicals and occult suppliers.

A Modern Guide to Witchcraft and Magick

Everything You Need to Know to Start Connecting with the God and Goddess Perhaps the biggest difference between Wicca and other religions is the belief that individuals can do more than simply pray to a supreme, all-powerful deity and hope that things will work out to their benefit. Wiccans understand that individuals can

Page 22/62

actually co-create with the forces of nature by linking their own personal energy with the divine through ritual and magic. But what is "the divine" when it comes to Wicca? Who are the Goddess and the God, and where did they come from? Why do they have different names in different Wiccan traditions, and how do you begin to work with them in your personal practice? *Magical Deities*, by best-selling author Lisa Chamberlain, answers these questions and more. Going beyond the usual brief introduction to the God and Goddess found in many beginner guides to Wicca, Lisa covers the origins of the Wiccan deities, as well as their varying manifestations among different Wiccan traditions. What's more, she explains the difference between

Page 23/62

traditional duotheism and more eclectic polytheistic practices, both of which are found among the diversity of forms within this dynamic religion. You'll find advice for learning to forge your own spiritual connection with the divine masculine and feminine, and introductions to sixteen ancient deities who often function as "aspects" of the God and Goddess within Wiccan practices. Finally, you'll find ideas for honoring and working with these deities in your magical practice-and make no mistake, having the assistance of the gods and goddesses of the Universe is an enormous boon in the magic department! Foundations in Wiccan Concepts of Divinity and Magic For many practitioners who keep to the traditional duotheistic concept of Wicca, the ancient

deities are "aspects" of the "supreme" Goddess and God and don't have a role to play on their own. For those who fall into the category of "eclectic" Wiccans, the inclusion of ancient deities is more polytheistic. Eclectics often have personal relationships with "patron" gods and/or goddesses, who may be included in ritual practice alongside the God and Goddess. In both approaches, deities may be called upon for assistance with specific magical aims. But it's not simply a matter of speaking a god's or goddess' name in your spellwork-you need to develop an understanding and personal relationship with your chosen deities. Magical Deities will help you to do just that, with valuable information including: - The history of the

Wiccan Goddess and God and their evolution through various traditions - An introduction to the Triple Goddess and her three aspects: Maiden, Mother and Crone - Introductions to the Sun God, the Horned God, the Green Man, and the Holly and Oak Kings - How to represent the God and Goddess on the Wiccan altar - The mythology, cosmology, and magical practices of the ancient cultures that gave rise to Wicca - The most popular deities of the Egyptian, Roman, Greek, and Celtic pantheons - Advice for choosing deities to work with, and magical goals and methods specific to each one The paths to connection with the God and Goddess, or to any of the deities "borrowed" from other cultures are as multiple and varied as the people who worship

Page 26/62

them. Ultimately, your intuition and your heart are your best guides along your journey. But the more you know about the gods and goddesses you seek to work with, the more authentic and astounding your connection with them has the potential to be. As you make your way deeper into the realm of Wicca, *Magical Deities* will be a trusted travel guide! Scroll to the top of the page, hit the buy button, and you'll receive an exclusive free gift!

Since 1951, when the last of the Witchcraft Acts was repealed, many books have been written about the reappearance of witchcraft and the development of a pagan theology. Churchmen have denounced it. Sociologists have wondered at it. Journalists have penned sensational stories about it. But until the publication of this book, no one had told the real story of it from the inside as frankly as it is told here. Doreen Valiente, one of witchcraft's most widely known figures, was a close friend of the late Gerald Gardner,

generally regarded as the founder of present-day witchcraft. Initiated by him and for a time High Priestess of his coven, Doreen Valiente helped him rewrite his seminal Book of Shadows. She records the break with Gardner that split his coven, the controversy surrounding Alex Sanders, 'King of the Witches' and memories of many other witches whom she has known, including the lady called 'Dafo', Robert Cochrane, Leslie Roberts and Sybil Leek. Doreen Valiente took part in many witchcraft rituals and had strange psychic experiences as a result. Described here are the clairvoyant communications she received purporting to come from 'John Brakespeare', an eighteenth-century witch. The Rebirth of Witchcraft

traces the lineage of the present-day witchcraft from its forerunners through to modern feminist neopaganism and the new wave of interest in ecology and holistic medicine.

In their follow-up to the popular *Wiccapedia* and other books in the *Modern Witch* series, Shawn Robbins and Leanna Greenaway offer readers an authoritative, in-depth guide to crystal magick and spells. They explain how crystal craft works; how to choose and collect magickal stones; and how to care for, charge, program, and house your crystals. magic involves a process of attracting ancient powers and wisdom through the collective mind, which people are able to access spontaneously in visions and dreams. Wicca makes use of rituals, spells, and various states of consciousness in order to obtain such cosmic memory bank consciously. Thus, many Wiccan witches believe that attracting on the accumulated powers and wisdom of numerous generations can result in healing magic. On the other hand, the practice of witchcraft entails great responsibility given that you will be dealing with the extremely potent material. The primary benefit of magic, specifically white magic is being

able to provide a form to your thoughts, desires, and needs and cause them to substantiate to reality through concentrating and directing your own natural energies and inner powers. In doing so, you will also obtain more abundance, harmony, and joy in your world, especially if your focus is about positivity. In this book, you will be able to learn white magic for positive uses. The first chapter of this book provides an introduction and some important facts about Wiccan candle magic. The second chapter is about herbs and their association with white magic. The third chapter is about crystals and gemstones and how they can be used

in white magic. In the fourth chapter, you will learn candle magic spells for money and diet. The fifth chapter covers candle magic spells for healing, love, and universal justice. Finally, the sixth chapter is about candle magic spells for protection and energy."

Llewellyn is pleased to present a new Scott Cunningham book—a long-lost Book of Shadows. Discovered in a battered manila envelope, this previously unpublished manuscript was penned by Scott in the early 1980s. This rare book includes original spells, rituals, invocations, and an herbal grimoire. Featured in the design are Scott's actual hand-drawn signs, symbols, and runes. More than twenty years after his passing, Scott Cunningham is still an iconic and highly regarded figure in the magical

community. His books on Wicca are considered classics, and his writings continue to inspire and inform those new to the Craft.

"Lisa Lister is an uber-goddess of humour, wisdom, fun and cheek. She's just what THIS doctor ordered." – Dr Christiane Northrup, author of *Goddesses Never Age* and *Making Life Easy* A witch is a wise woman, a healer. Yet for so long the word "witch" has had negative connotations. In this book, third generation hereditary witch Lisa Lister explains the history behind witchcraft, why identifying as a healer in past centuries led women to be burned at the stake, and why the witch is reawakening in women across the world today. All women are witches, and when they connect to source,

trust their intuition, and use their magic, they can make medicine to heal themselves and the world. This book is a re-telling of Herstory, an overview of the different schools of witchcraft and the core principles and practices within them. Discover ancient wisdom made relevant for modern witches:

- The wheel of the year, the sabbats, the cycles of the moon.
- Tools to enhance your intuition, including oracle cards and dowsing, so that you can make decisions quickly and comfortably.
- Understanding the ancient use of the word "medicine".
- How to work with herbs, crystals, and power animals so that you have support in your spiritual work.
- How to build and use a home altar to focus your intentions and align you with seasonal

cycles, the moon cycles, and your own intentions for growth. • Cleanse, purify, and create sacred space. • Work with the elements to achieve deep connection with the world around you. In addition, Lisa teaches personal, hands-on rituals and spells from her family lineage of gypsy witch magic to help you heal, manifest, and rediscover your powers. Above all, Lisa shows that we really are "the granddaughters of the witches that they couldn't burn".
