

Wilderness Empire A Narrative Winning Of America Series

Wilderness Empire
is the gripping
narrative of the

Page 1/84

eighteenth-century
struggle of these two
powers to win for
themselves the
allegiance of the
Indians in a war for
territorial
dominance, yet
without letting these
Indians know that
the prize of the war
would be this very

Page 2/84

Iroquois land.

The reader is swept into the lives and times of the period, pleasantly learning the personality and dynamics of the times. I absolutely encourage anyone with the slightest interest in America's early years to pursue
