

Wishing A Colleague Who Is Going For Maternity Leave

I don't have golden memories at work because a colleague like you is not around to make me laugh. Get well soon. The word soon doesn't convey the hurry with which I want you to get back to work. So here's wishing you get well urgently. Until the sun shines again, my umbrella is big enough for both of us.

You might face some particular cases in your life after realizing your boss or a colleague is seriously feeling unwell. For example if your coworker had an accident and he is recovering while in hospital or at home, you can write them a get well soon card to help him or her get better soon. Are you looking for get well soon, wishes, greetings and recovery messages to write on a get well soon card?

Farewell messages to colleague are very important in showing your appreciation to the colleague for the time you spent working together. This, therefore, means that your choices of words need to be heartwarming enough. Well, after reading this post, you will not need to bother about heartwarming words to put in your farewell messages to a ...
