proficiency and cultural competence. The text's combination of relevant themes, lively practice, and engaging technology tools allows students to start communicating early and with confidence. The authors' philosophy

Page 64/78

and approach cultivate active learners. Six solid principles of learning form the foundation of the text: students learn by doing; language is culture and culture is reflected in language; skill integration promotes language

Page 65/78

development; self-expression facilitates greater language proficiency; systematic recycling enables students to move from learning to acquisition; and engaging material enhances learning. Updated cultural

Page 66/78

information appears throughout the text in the ¿Lo sabía? culture notes and in the chapter-opening Datos interesantes feature, introducing facts relevant to each chapter's content. The ¿Claro que sí! video features footage from
