

## Worth It Your Life Your Money Your Terms

In a world obsessed with building self-esteem, our sense of well-being hinges on performance, the whims of good luck and positive outcomes. But when we don't measure up to our own tough standards, things don't go our way or life falls apart, we are called to access a deeper source of resilience, that of self-worth.

Offers a nine-step program for living more meaningful lives, showing readers how to get out of debt, save money, reorder priorities, and convert problems into opportunities

Stop making a living and start making a life with The New Retirementality™ In 2000, when top financial philosopher and bestselling author Mitch Anthony first presented a new way of thinking about retirement, it was novel, and many critics didn't buy into it. Originally written to get the attention of baby boomers, Mitch ended up starting a revolution by showing us that everything we had read about retirement was wrong—we needed a "new retirementality." Fast-forward to today, when most of us are facing a very different retirement: fewer pensions, escalating healthcare costs, and inadequate savings. For many of us, retirement may never happen, or it will take place much later than we expected. Far from being full of doom and gloom, The New Retirementality, Fifth Edition, offers a message of hope, along with a roadmap for navigating the choppy waters of retirement planning. While most books focus on Return on Investment, Mitch shows us that Return on Life™—living the best life possible with the resources we have—is a more fulfilling and achievable approach. New to this edition: The latest research and studies, as well as a discussion of Life-Centered Planning™—a unique approach to financial and retirement planning, focused on individual goals and needs instead of the outmoded one-size-fits-all approach. Explores the role of purpose in retirement planning, including the expanding role of work in retirement, and why it can take three or four tries to get retirement right. Features the New Retirementality Profile, the ROL Index for helping you analyze and reflect on how you are using your money toward improving your life, and worksheets to help you get organized. Filled with engaging anecdotes, practical advice, and inspirational suggestions, this book will motivate you to rethink what retirement means—and put you in a better position to enjoy the new retirementality you deserve.

“As so many Americans feel powerless to confront a financial system designed to serve the few, Shuman offers us real choices: tools that align our lives with our values. That's power. I love this highly readable, timely, surprising book.” —Frances Moore Lappé, author of Daring Democracy and Diet for a Small Planet Americans agree on very little these days, but red state conservatives and blue state progressives can agree on one critical point: Wall Street can no longer be trusted. Yet most of us continue to invest our money in the stocks and bonds of Fortune 500 companies, transferring our capital far from where we live and work. Local investing expert Michael Shuman offers another alternative. He shows how we can use two well-established—but rarely used—investment tools to keep our money close and get a return as good as or better than what we'd get investing in distant, indifferent corporations. Shuman explains the nuts and bolts of self-directed IRAs and solo 401(k)s and how they can be combined with other recently legalized local investing tools. He details how to set these accounts up, identify and evaluate a whole range of local investment opportunities, and make sure account holders stay on the right side of the law. While the book is written for people without a lot of investment experience—Shuman explains concepts like “liquidity” and “diversification” in simple terms—even if you're as experienced as Warren Buffett, this book will make you rethink everything you know about investing. With Shuman's expert advice, you can strengthen your investment portfolio and your community, neighborhoods, and schools at the same time!

Thoughts on Things That Make Life Worth Living

Life Is Worth Living

Bestselling author and UK television star Alvin Hall demystifies the principles of personal money management, helping readers control their finances so they can move from confusion—about credit, debt, investments, and retirement—to clarity. Americans are finding themselves in tough situations in the midst of today's volatile financial climate and more than ever need good guidance and discipline. In Your Money or Your Life, financial guru Alvin Hall shows how taking charge of money reduces stress in all aspects of life— work, day-to-day living, and relationships—and it's never too late to start monitoring this crucial area of life and working towards achieving long-term financial goals. One of the keys to achieving financial success is to first learn how to distinguish between “wants” and “needs.” Hall instructs and empowers readers to create a budget that allots for life necessities and material desires. But he also warns readers to get to the emotional root of what causes them to “want” certain things and reconsider their desires carefully. Most importantly, Hall teaches readers how to recognize and manage their personal spending styles, how to find painless ways to save money, how to understand the real cost of credit card debt, how to pick the best mortgage package for them, how to plan for retirement, and how to evaluate insurance offers. With Your Money or Your Life, Alvin Hall provides sound financial advice that enables readers to make confident decisions and attain financial security.

For many women, "living your best life" is just a slogan. It sounds great, but when it comes to having practical steps that can take it from a cute poster or social media post, to their actual existence, most do not have the tools.. Sis, You're Worth It: Seven Ideas for Manifesting Your Best Life takes "living your best life" off the wall and provides women with seven powerful ideas that help them to get clear about what their best life is and how they can manifest it. While the ideas are not new, they are when used this way. They are powerful, life-changing approaches to living an authentically successful life, which is what it means to live your best life. This isn't society's definition that's heavy on the external stuff - material possessions that can never, ever fill the inner void. This is manifesting your best life from the inside-out. It's creating a life where you certainly manifest the external stuff, but your enjoyment of them is magnified because they do not define you. This is living the life you were born to live, expressing your unique gifts and talents, standing in your truth, being and doing YOU. This is leaving it all on the playing field of life - taking zilch with you to that great graveyard of unfulfilled dreams and unlived lives. This is living your best life!

As a former police detective, hostage negotiator and international peacekeeper, J. Paul Nadeau spent more than thirty years working with victims and perpetrators and learning from top experts in abuse situations, murder investigations, hostage-takings, terrorist attacks and human behaviour in general. As a survivor of physical and emotional abuse by an alcoholic father, he experienced first-hand the loss of hope and destructive internal dialogue that can immobilize a person as effectively as any prison. In Take Control of Your Life, Nadeau combines his personal experiences and insights from his many years in the field to help us overcome the self-sabotaging thoughts and attitudes that prevent us from becoming our best selves and achieving our dreams to the fullest.

#1 NEW YORK TIMES BEST SELLER • At last, a book that shows you how to build—design—a life you can thrive in, at any age or stage Designers create worlds and solve problems using design thinking. Look around your office or home—at the tablet or smartphone you may be holding or the chair you are sitting in. Everything in our lives was designed by someone. And every design starts with a problem that a designer or team of designers seeks to solve. In this book, Bill Burnett and Dave Evans show us how design thinking can help us create a life that is both meaningful and fulfilling, regardless of who or where we are, what we do or have done for a living, or how young or old we are. The same design thinking responsible for amazing technology, products, and spaces can be used to design and build your career and your life, a life of fulfillment and joy, constantly creative and productive, one that always holds the possibility of surprise.

The Ultimate Lifetime Money Plan

Do you have a story that you just have to tell? Do you seek to preserve your life history as a gift for loved ones, or to pay tribute to those who have meant the most to you? Do you yearn to write about one major life experience to inspire others? You're not alone. The desire to write our life story is a timeless, universal urge. Somewhere inside us we know that writing a book about our life will touch those we love, while enriching our lives in today's cell phone-laptop lifestyle. Life is a book, and women and men from 19 to 99 are hearing the call to write it. Someone is waiting to hear you tell your life story: who you are, how you've lived, what you've learned. They want to hear all the stories that have shaped your life. Your Life Is a Book - And It's Time to Write It! An A-to-Z Guide to Help Anyone Write Their Life Story will take you on the journey of creating your memoir, autobiography, or life story. It doesn't matter how old or how young you are, or whether you've written a lot, a little, or not at all. Through practical tools, lively writing exercises, engaging questions, and helpful illustrations, you'll receive the guidance and encouragement you need from an expert life-writing teacher. Start writing your life story today! Kevin Quirk, M.A., has been helping ordinary people of all ages and backgrounds write their life stories as ghostwriter, personal historian, and Writing Your Life Story teacher since 1998. A former journalist and founder of Life Is a Book, he is coauthor of Brace for Impact: Miracle on the Hudson Survivors Share Their Stories of Near Death and Hope for New Life.

A Groundbreaking Manifesto on the Meaning of Life This book will help you understand why you are alive and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. The Purpose-Driven Life is a blueprint for Christian living in the 21st century—a lifestyle based on God's eternal purposes, not cultural values. Using over 1,200 Scriptural quotes and references, it challenges the conventional definitions of worship, fellowship, discipleship, ministry, and evangelism. In the tradition of Oswald Chambers, Rick Warren offers distilled wisdom on the essence of what life is all about. This is a book of hope and challenge that you will read and re-read, and it will be a classic treasured by generations to come.

Bishop Fulton Sheen's renowned and inspiring television series, Life Is Worth Living, was watched by millions of viewers from all walks of life and every religious belief. This book contains the full-length scripts of forty-four of those top-rated programs that drew thousands of letters weekly to Sheen from his viewers in response to the advice and insights he gave on his shows. Bishop Sheen's writings, tapes and videos are as popular today as when he was alive. His timeless insights offered in this book give wise, personal and inspiring guidance on the problems affecting our lives in today's world. His talks cover an amazing variety of subjects, from the character of the Irish to the handling of teen-agers. He discusses education, Christianity, relativity, and world affairs. He speaks about love, conscience, fear, motherhood, work. He tells amusing anecdotes, recites poetry, and ponders the fate of the free world as well as America's destiny. Among his many best-selling books, none has greater universal appeal than Life Is Worth Living. It offers a stirring and challenging statement of Bishop Sheen's whole philosophy of life and living. It is a book for everyone - of immediate concern to all people seeking understanding, belief, and purpose in these troubled times.

A guide to achieving financial stability and prosperity encourages new ways to think about and manage money, discussing such topics as balancing a budget, planning for entertainment, and getting out of debt.

Designing Your Life

Since her debut in 1989, A. M. Homes, author of the forthcoming novel The Unfolding, has been among the boldest and most original voices of her generation, acclaimed for the psychological accuracy and unnerving emotional intensity of her storytelling. Her ability to explore how extraordinary the ordinary can be is at the heart of her touching and funny new novel, her first in six years. This Book Will Save Your Life is a vivid, uplifting, and revealing story about compassion, transformation, and what can happen if you are willing to lose yourself and open up to the world around you.

From the founder and superstar CEO of DailyWorth.com, the go-to financial site for women with more than one million subscribers, comes a fresh book that shows women how to view money as a source of personal power and freedom—and live life on their own terms. Millions of women want to create financial stability and abundance in their lives, but they don't know how. They are stuck in overwhelming confusion and guilt, driven by internalized “ money stories ” that have nothing to do with what is really possible. As the founder of DailyWorth.com, a financial media and education platform, Amanda Steinberg encounters these smart, ambitious women every day. With this book, she helps them face their financial situations head on and wake up to the prosperity that awaits them. Worth It outlines the essential financial information women need—and everything the institutions and advisors don't spell out. Steinberg gets to the bottom of why women are stressed and anxious when it comes to their finances and teaches them to stay away from strict budgeting and other harsh austerity practices. Instead, she makes money reliable, while sharing strategies she uses herself to build confidence and ease in her own financial life. Through her first-hand experiences and the stories from other women who've woken up, Steinberg's powerful and encouraging advice can help women of any age and income view money as a source of freedom and independence—and create bright financial futures.

In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

For the past 5 years, Steve Kamb has transformed himself from wanna-be daydreamer into a real-life superhero and actually turned his life into a gigantic video game: flying stunt planes in New Zealand, gambling in a tuxedo at the Casino de Monte-Carlo, and even finding Nemo on the Great Barrier Reef. To help him accomplish all of these goals, he built a system that allowed him to complete quests, take on boss battles, earn experience points, and literally level up his life. If you have always dreamed of adventure and growth but can't seem to leave your hobbit-hole, Steve's book, Level Up Your Life, is for you. He will teach you exactly how to use your favorite video games, books, and movies as inspiration for adventure rather than an escape from the grind of everyday life. Hundreds of thousands of everyday Joes and Jills have joined Steve's Rebellion through his popular website, NerdFitness.com, and leveled up their lives--losing weight, getting stronger, and living better. In Level Up Your Life, you'll meet more than a dozen of these members of The Rebellion: men and women, young and old, single and married, from all walks of life who have created superhero versions of themselves to live adventurously and happily. Within this guide, you'll follow in their footsteps and learn exactly how to:

- Create your own “ Alter Ego ” with real-life super powers
- Build your own Epic Quest List, broken into categories and difficulty levels
- Hack your productivity habits to start making progress
- Train your body for any adventure
- Build in rewards and accountability that will actually motivate you to succeed
- Travel the world freely (and cheaply)
- Recruit the right allies to your side and find powerful mentors for guidance

Adventure is out there, and the world needs more heroes. Will you heed the call?

A Proven Plan to Stop Drifting and Get the Life You Want

9 Steps to Transforming Your Relationship with Money and Achieving Financial Independence: Fully Revised and Updated for 2018

From author of *The Happiness Code*, Domonique Bertolucci, comes a new book *Love Your Life* showcasing a collection of uplifting messages that will inspire you to discover your inner (and lasting) happiness. A self-help, motivational book that provides daily affirmations to inspire happiness and control over our lives. This book comes out of Domonique 's online Monday Morning Messages that drop into subscribers inboxes giving them a weekly motivational boost. So popular and well received are the instant messages that this book, containing a full collection, makes for a very positive and powerful package. Combining famous quotes from international thought leaders and inspirational words from Domonique highlighting ways we can integrate these ideas into our lives to improve them day by day, these are simple yet powerful messages that make a difference to the way you feel about yourself and the life you wish to lead. Here is a sample entry from the book: " The true sign of intelligence is not knowledge but imagination. " – Albert Einstein ~~~~~ Find the time to dream The real thing that holds most people back is lack of imagination, they simply can ' t conceive of the life they really want to be living. The only real limit to your potential is your imagination, so find some time to daydream about what your life could be like and see what your imagination can come up with.

"Scot believes that his life of perceived struggle and unfortunate circumstances are the RULE in todays society, not the exception, with that said, Scot says "I am the average American that has suffered the common problems of the world at large, but what makes me different is how I ended up after going through these problems". Scot believes that there is hope for all who choose to take responsibility for their life's present circumstances, and get into action, which is what this book is focused on."--Cover.

Non-fiction, self-help, inspirational. There's the life you hoped for, and the life you are living. Rarely are the two the same. So few of us are passionate about the life we are living. But after waking from a coma, having come so close to dying, Kevin Delaney determined he would not settle for a half-lived life. This book will inspire you, challenge you, and most of all, help you find your purpose and dare to live the life you've imagined. Through his own inspiring story and the stories of others, *A Life Worth Living* will move you toward the life you want to live. It will help you find passion and purpose and close the gap between the life you have and the life you want. If you want to live an extraordinary life, one that makes a difference, a life you don't regret, read *A Life Worth Living*.

A Publishers Weekly Best Book of 2019 Why do we make things by hand? And why do we make them beautiful? Led by the question of why working with our hands remains vital and valuable in the modern world, author and maker Melanie Falick went on a transformative, inspiring journey. Traveling across continents, she met quilters and potters, weavers and painters, metalsmiths, printmakers, woodworkers, and more, and uncovered truths that have been speaking to us for millennia yet feel urgently relevant today: We make in order to slow down. To connect with others. To express ideas and emotions, feel competent, create something tangible and long-lasting. And to feed the soul. In revealing stories and gorgeous original photographs, *Making a Life* captures all the joy of making and the power it has to give our lives authenticity and meaning.

Seven Ideas for Manifesting Your Best Life

Your Money Or Your Life

This Book Will Change Your Life

Planning Your Life and Living Your Dreams...at Any Age You Want

Move Your Stuff, Change Your Life

Brit Barron grew up in an Evangelical megachurch in the '90s, trying to fit neatly inside the boundaries her church and its narrow view of God had placed around her. She was boxed in by her fears, unable to realize her full potential. All that changed when she met a girl named Sami, fell in love, and chose to leave behind those narrow boundaries in favor of a fuller and more vibrant life. In *Worth It*, Brit tells her story to inspire all of us to overcome our own fears--the kinds of fears that keep us from evolving beyond the narratives that have been handed to us by others. We can't avoid or outrun these fears, but if we face them, we'll find out that it was so worth it!

In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for *Woman's Day* "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of *HerMoney* with Jean Chatzky Podcast

"A ... new philosophy and ... guide to getting the most out of your money--and out of life--for those who value memorable experiences as much as their earnings"--

Your all-in-one guide to getting your career and finances in order — for greater clarity, happiness, and peace of mind. Studies show that if you're like the majority of young professionals, you feel dissatisfied with your job, your finances, or your overall station in life. It can seem impossible to disentangle the work stuff, the money stuff, and the personal stuff, because they're all inextricably linked. But the good news is, you don't have to go at it alone: *Work Your Money, Not Your Life* is your all-in-one guide to achieving both your career and financial goals so that you can get where you want to be. In his debut book, Roger Ma, an award-winning financial planner and a publisher strategist at Google, offers secrets on how you can craft a meaningful career, gain financial comfort, and achieve a greater sense of purpose. And the premise behind it all is this: money affects every part of our lives. Simply by sorting out your personal finances (and it isn't as bad as it sounds!), you can build a foundation from which you'll be able to find the right career path, visualize your desired lifestyle, and turn your dreams into a reality. You'll learn how to: Relieve yourself of the work, money, and personal stressors that keep you up at night Dispel the job myths that are preventing you from a more rewarding career Apply the fundamentals of personal finance to your unique situation, without all the confusing jargon Prioritize and balance your career and money needs through exercises and easy-to-use templates, launching yourself on the path to the life satisfaction you desire When the life you're living and the life you want to live don't match up, everything feels off balance. Where do you begin trying to connect the dots? Start with this book. Through accessible, practical advice, you'll learn the career and financial strategies you need to live the life you deserve.

**INSTANT NEW YORK TIMES BESTSELLER - The Read With Jenna Today Show Book Club Pick!** "A story of love and hope as interweaving characters display: how all moments, big and small, can measure a life. If you want joy, love, romance, and hope—read with us." —Jenna Bush Hager A luminous, spirit-lifting blockbuster for readers of *The Midnight Library*. Eight ordinary people. One extraordinary choice. It seems like any other day. You wake up, pour a cup of coffee, and head out. But today, when you open your front door, waiting for you is a small wooden box. This box holds your fate inside: the answer to the exact number of years you will live. From suburban doorsteps to desert tents, every person on every continent receives the same box. In an instant, the world is thrust into a collective frenzy. Where did these boxes come from? What do they mean? Is there truth to what they promise? As society comes together and pulls apart, everyone faces the same shocking choice: Do they wish to know how long they ' ll live? And, if so, what will they do with that knowledge? The Measure charts the dawn of this new world through an unforgettable cast of characters whose decisions and fates interweave with one another: best friends whose dreams are forever entwined, pen pals finding refuge in the unknown, a couple who thought they didn ' t have to rush, a doctor who cannot save himself, and a politician whose box becomes the powder keg that ultimately changes everything. Enchanting and deeply uplifting, *The Measure* is a sweeping, ambitious, and invigorating story about family, friendship, hope, and destiny that encourages us to live life to the fullest.

What makes life worth living? If you ask Lord BIRTHDAY, the answer is visor hats. And lighthouses. And the stranger who gave him a half-eaten panini on the bus the other day. In *Your Life Is a Life of Hope!*, the Internet ' s favorite mustachioed king presents a series of short, illustrated essays in which he argues for hope by way of absurdity and transcendence by way of the mundane. In his signature childlike, dryly humorous style, Lord BIRTHDAY explores the things that make life so great, including jackets and bags and " booping someone on the nose. " Both strange and strangely moving, this collection will delight fans and newcomers alike.

An essential and accessible guide to increasing happiness, improving your financial well-being, and bettering your health through the timeless Chinese art of feng shui. Promising health, wealth, and happiness, feng shui offers endless appeal—at least in concept. Unfortunately, feng shui ' s seemingly complicated methods are often difficult to learn and apply in a meaningful way. Fortunately, *Move Your Stuff, Change Your Life* is written in plain and simple English for the modern Western reader. Revealing the ancient Chinese secrets that are as useful and necessary today as they have been for centuries, *Move Your Stuff, Change Your Life* communicates how to: · MEET " THE ONE " · FIND A DREAM JOB · EARN BETTER GRADES IN SCHOOL · ENJOY A BETTER SEX LIFE The ultimate teen guide to handling all the pressures and challenges of life—your own way! Being a teen in today ' s world is tough. Between school pressure, family, friends, and extracurricular activities—sometimes it can feel like you ' re being pulled in a dozen different directions, and none of them are your way. On top of that, you may feel lonely, angry, or depressed; or you may wonder if you ' re good enough, smart enough, or attractive enough. So, how can you overcome these self-doubts, and cultivate the strength to face life ' s challenges and reach your full potential? In *Your Life, Your Way*, you ' ll learn how to deal with all the changes and challenges of the teen years—and how to grow into the person you want to be. You ' ll learn doable skills grounded in mindfulness, acceptance and commitment therapy (ACT), and positive psychology to help you form positive friendships, manage difficult emotions, and get unstuck from bad habits. You ' ll also learn real tips for dealing with several life challenges, including: Feelings of uncertainty Concerns about your looks Deadlines School/college/work Family Worries about the future Relationship stress Once you identify your own personal struggles, you can decide how you want to face them—as strong, assertive, kind, honorable, caring, fun, supportive, friendly, agreeable, bold, persistent, or giving. If you ' re ready to take charge of your destiny and face problems head on in your own way, this fun and illustrated book has everything you need to get started today!

An inspiring guide to finding your life ' s purpose—what spiritual teachers call dharma—through mindfulness and self-exploration. Stephen Cope says that in order to have a fulfilling life you must discover the deep purpose hidden at the very core of your self. The secret to unlocking this mystery, he asserts, can be found in the pages of a two-thousand-year-old spiritual classic called the *Bhagavad Gita*—an ancient allegory about the path to dharma, told through a timeless dialogue between the fabled archer, Arjuna, and his divine mentor, Krishna. Cope takes readers on a step-by-step tour of this revered tale and highlights well-known Western lives that embody its central principles—including such luminaries as Jane Goodall, Walt Whitman, Susan B. Anthony, John Keats, and Harriet Tubman, along with stories of ordinary people as well. If you ' re feeling lost in your own life ' s journey, *The Great Work of Your Life* may help you to find and to embrace your true calling. Praise for *The Great Work of Your Life* " Keep a pen and paper handy as you read this remarkable book: It ' s like an owner ' s manual for the soul. " —Dani Shapiro, author of *Devotion* " A masterwork. . . You ' ll find inspiration in these pages. You ' ll gain a better appreciation of divine guidance and perhaps even understand how you might better hear it in your own life. " —Yoga Journal " I am moved and inspired by this book, the clarity and beauty of the lives lived in it, and the timeless dharma it teaches. " —Jack Kornfield, author of *A Path with Heart* " A rich source of contemplation and inspiration [that] encourages readers . . . to discover and fully pursue their inner self ' s calling. " —Publishers Weekly " Fabulous . . . If you have ever wondered what your purpose is, this book is a great guide to help you on your path. " —YogaHara

A guide to achieving financial stability and prosperity by the co-authors of *The Two-Income Trap* encourages readers to change the ways they think about and manage money, discussing such topics as balancing a budget, planning for entertainment, and getting out of debt. 150,000 first printing.

Wall Street Journal Bestseller Much of the advice we ' ve been told about achievement is logical, earnest...and downright wrong. In *Barking Up the Wrong Tree*, Eric Barker reveals the extraordinary science behind what actually determines success and most importantly, how anyone can achieve it. You ' ll learn: • Why valedictorians rarely become millionaires, and how your biggest weakness might actually be your greatest strength • Whether nice guys finish last and why the best lessons about cooperation come from gang members, pirates, and serial killers • Why trying to increase confidence fails and how Buddhist philosophy holds a superior solution • The secret ingredient to " grit " that Navy SEALs and disaster survivors leverage to keep going • How to find work-life balance using the strategy of Genghis Khan, the errors of Albert Einstein, and a little lesson from Spider-Man By looking at what separates the extremely successful from the rest of us, we learn what we can do to be more like them—and find out in some cases why it ' s good that we aren ' t. *Barking Up the Wrong Tree* draws on startling statistics and surprising anecdotes to help you understand what works and what doesn ' t so you can stop guessing at success and start living the life you want.

Each of us has but one life to live on this earth. What we do with it is our choice. Are we drifting through it as spectators, reacting to our circumstances when necessary and wondering just how we got to this point anyway? Or are we directing it, maximizing the joy and potential of every day, living with a purpose or mission in mind? Too many of us are doing the former--and our lives are slipping away one day at a time. But what if we treated life like the gift that it is? What if we lived each day as though it were part of a bigger picture, a plan? That's what New York Times bestselling author Michael Hyatt and executive coach Daniel Harkavy show us how to do: to design a life with the end in mind, determining in advance the outcomes we desire and path to get there. In this step-by-step guide, they share proven principles that help readers create a simple but effective life plan so that they can get from where they are now to where they really want to be--in every area of life.
