Zoroastrianism is one of the world's oldest known living religions and has its origins in the distant past. It developed about three and a half thousand years ago from the ancient Indo-Iranian religion that was once shared by the ancestors of nomadic herding tribes that later settled in Iran and northern India.

An introduction to Zoroastrianism - The British Library

Introduction. Zoroastrianism, the religion of the ancient Iranians, is named after Zarathushtra (Zoroaster) whose hymns (Gathas) are thought to have been composed 1500–1000 BCE. Originating in Central Asia, Zoroastrianism spread south to Iran where it became the main religion from the 6th century BCE until the mid-7th century CE, interacting meanwhile with Judaism and Christianity.
